SYLLABUS DEL CORSO

Stage in Ufficio/agenzia di Formazione Permanente Ospedaliera/sanitaria

2021-1-K0101D206

Aims

This stage refers to all the contents of the first and the second year of education.

Contents

This teaching is composed by an experience of practical training/stage in the first or the second year of education. The aim is to observe the role of nurses and midwives operating in the planning and delivery of health training courses. The internship is aimed at nursing and midwifery students interested in learning more about the professional training system and the teaching methods of professional activities. The stage will allow to actively participate to briefing/debriefing activities, practical training, and guided discussions with undergraduate nursing students.
