COURSE SYLLABUS

Elements of Criminal Procedure

1920-2-E1401A085

Learning objectives

The course aims to raise awareness of the criminal procedure and evidence to students, who may well have the most appropriate skills to undertake the “classic” subsequent career paths to graduation.

Contents

The objective of the course is to take a problematic approach in illustrating the fundamental issues and workings of the criminal procedure. In order to achieve this, the main institutions regulated by the code of criminal procedure will be analyzed, with particular attention to the logical, ideological and constitutional aspects of the subject.
