### Scienze Sociali

1920-1-I0201D128-I0201D184M

---

#### Aims

This course aim is to present the essential features of the Italian and Lombard model of welfare, as the institutional, social and cultural context in which the healthcare activities are carried on. After a general introduction on social sciences and on the meaning of sociological analysis of institutions, we will focus on the role of the actors emerging from the 2015 regional healthcare reform.

#### Contents

- The social sciences and the sociological approach
- Welfare systems as institutions
- The Italian welfare
- The Lombard welfare

#### Detailed program

- Why institutional, social and cultural contexts are important
- What are local welfare systems

- The Italian welfare system
- The Lombard welfare system
- The 2015 lombardo healthcare reform
