SYLLABUS DEL CORSO

Filosofia della Politica

2021-1-E4001N086

Learning objectives

Introducing the fundamental questions in political philosophy and elaborating a case study on merit and meritocracy

Contents

Part one: foundations of political philosophy.

Part two: merit and meritocracy.

Detailed program

Part one: Ethics and politics; why shall we obey?; liberty and order; individual and society.

Part two: What does it mean to deserve something? Merit and meritocracy

Prerequisites

None

Teaching methods

Theoretical lessons

During Covid-19 alert period lessons will be available online.

Assessment methods

All students: Written test with open ended questions and e-proctoring. Oral test on demand for positive written test exclusively, unless requested by professor.

During Covid-19 alert period written exam will take place remotely using "Respondus" tool and oral test using WebEx platform.
