Assessment methods

During the Covid-19 emergency period, the exam will take place in writing using the proctoring RESPONDUS system. Any information and instruction are available on the website <https://elearning.unimib.it/proctoring> under the RESPONDUS section.

The test will consist of open-ended questions and closed questions and the duration of the exam will be 1 hour, the use of manual, books or notes are not permitted.

The oral exam (optional) will take place using the WEBEX Meeting platform accessible through the "e-Learning" of the Course. Each student enrolled shall be connected to the platform, with active audio and webcam, throughout the exam. It will be prompted to place the PC in a way that the entire area of the room in which the student will take the exam shall be viewed; the presence of other person is not permitted. Participants must provide an identity document. The access to the exam will be through the "e-Learning" of the Course. Each student enrolled will receive an invitation to attend the exam the day before.
