Clinical cases

Prerequisites

Sufficient logic and cultural skills and reasonable learning, writing and oral communication skills.

Teaching methods

During the Covid-19 emergency period, lessons will be held remotely with videoconferencing events in both synchronous mode (mainly) and asynchronous (when needed).

Assessment methods

During the Covid-19 emergency period, oral exams will only be online. They will be carried out using the WebEx platform and on the e-learning page of the course there will be a public link.

Multiple choice test (30 questions) and 2 open ended questions. Optional oral examination if the written part is sufficient (18).

Textbooks and Reading Materials

Supplementary materials (ppt files, articles). Ppt files are mandatory to pass the exam. They will be uploaded online at the end of each lesson.

Sanavio E., Cornoldi C., “Psicologia Clinica”, Il Mulino, 2017 (terza edizione). Optional.
