DEGLI STUDI DI MILANO-BICOCCA

## SYLLABUS DEL CORSO

### Relazioni Interculturali

2021-1-F4901N104

---

#### Learning objectives

To acquire theoretical and methodological tools in order to study intercultural relationships

To acquire theoretical and methodological tools in order to study multicultural societies

To acquire skills to analyze contemporary multicultural transformations

To acquire skills to elaborate intercultural projects

#### Contents

Contemporary multicultural transformations, stranger, racism, identity, recognition, intergration policies, second generations, migrant women, migrants associationism, intercultural communication, multiculturalism, commodification of diversity in tourism and cities

#### Detailed program

The first part of the course will focus on the concept of culture, stranger, identity, recognition, belonging; the second part will be devoted to the diversity within the public space: citizenship, intergration policies, migrants' associationism, migrant women and second generations. The third part will analyze the commodification of diversity in the touristic experience and in the urban space

#### Prerequisites

None

## Teaching methods

Due to the Government recommendations to contain the Covid-19 pandemic, lessons will be recorded and published on the e-learning platform. A few synchronous seminars using Webex will be arranged.

## Assessment methods

During the Covid-19 pandemic, exams will take place only using Webex. A public webex-link will be available at the course e-learning page.
