DEGLI STUDI DI MILANO-BICOCCA

COURSE SYLLABUS

Philosophy of Education

2021-1-E1901R002

Course title

Distanza, prossimità, colleganza:

i paradossi dell'educare, la pedagogia dell'imprevisto, le parole e i gesti per una filosofia della meraviglia tra paure ed enigmi contemporanei

Topics and course structure

The course is about the reconstruction of the idea of relationship as an educational experience referring to the history of educational ideas and ideologies, studying the major figures who have marked the history of thought, through the practices that have contributed to innovate definitions of education and its changing and representations. The course investigates the emotional acting.

Objectives

To guide students in developing critical and reflexive thinking, promoting awareness of the main philosophical currents that have provided important references for the study of education.
