

UNIVERSITÀ  
DEGLI STUDI DI MILANO-BICOCCA

## SYLLABUS DEL CORSO

### Geografia Culturale

2021-3-E2001R029

---

#### Course title

Cultural geography

#### Topics and course structure

The course is shared between Professor Marcella Schmidtdi Friedberg who will lead the first 12 hours of lessons and Professor Enrico Squarcina who will lead the remaining lessons.

The program is divided into three learning modules: 1) The first module will provide the tools (theoretical and methodological) for a critical understanding of the key themes of cultural geography. 2) The second module will introduce the main concepts of human geography with particular attention to their cultural value with a critical approach. 3) The third module aims to show how the main themes of human geography and cultural geography can be applied to a concrete and little-known area: the sea.

#### Objectives

Main objective of this course is to expand students' abilities in critical thinking on the nature and practice of geography, and to examine some of the key concepts in contemporary geographical inquiry.

#### Methodologies

In case the health emergency continues in the second semester, frontal lessons will be delivered in mixed mode: partial presence and synchronous video-recorded lessons.

## Online and offline teaching materials

### Programme and references for attending students

Banini T. (2019), *Geografie culturali*, Milano, Franco Angeli.

Dell'Agnese E. (a cura) (2009), *Geo-grafia. Strumenti e parole*, Milano, Unicopli.

Squarcina E., (2015), *L'ultimo spazio di libertà. Un approccio umanistico e culturale alla geografia del mare*, Milano, Guerini. Alternatively for those who can't get the book:

---

### Programme and references for non-attending students

There is no differentiation between the programme for attending students and non-attendants.

### Assessment methods

- The exam will consist in an interview aimed at testing the knowledge of the main human geography concepts, the ability to apply them to real cases and the ability to translate them into educational activities

aimed at achieving spatial skills by the pupils of nursery school and primary school. In the Covid-19 emergency period, oral exams will be telematics only. They will be conducted using the WebEx platform and the e-learning page of the teaching will contain a public link to access the exam for possible virtual viewers.

## **Office hours**

During the period of health emergency, interviews with students will take place in telematic mode by appointment.

## **Programme validity**

The programs are valid for two academic years.

## **Course tutors and assistants**
