## COURSE SYLLABUS

### Marketing I - 2

2122-2-E1801M043-E1801M059M-T2

---

#### Learning area

#### Learning objectives

The course aims to explore the role of marketing management and its interaction with other business functions; it aims also to examine the competitive dimension of marketing and the effects of globalization on marketing strategy.

Learning Objectives:

- Acquiring knowledge in contemporary marketing theory and practice
- Recognising impacts of globalisation on firms' marketing activities
- Identifying marketing challenges for firms entering foreign markets
- Understanding the basic principles of marketing planning
- Managing marketing strategies

#### Contents

This course has both theoretical and practical purposes: it introduces the basic theoretical principles of marketing, and provides the tools to manage the exchange between firms and customers. The first part of the course

examines the main strategic decisions falling under the marketing domain. The second part of the course examines the implementation of marketing strategies; this section mainly regards product, pricing, distribution, and communication decisions.
