UNIVERSITÀ
DEGLI STUDI DI MILANO-BICOCCA

COURSE SYLLABUS

Laboratory 9 - Turismo, innovazione e rigenerazione dei territori

2122-3-E1501N115

Learning objectives

Contents

Detailed program

Prerequisites

English speaking students, even if the lessons will be held in Italian.

Teaching methods

Case presentations during the lessons.

Assessment methods

During the LAB, students will do individually - or by forming teams/groups - various exercises that will be assessed and whose objectives and methods will be illustrated during the Laboratory.
