## COURSE SYLLABUS

### Surgery Emergencies

2122-2-I0202D126-I0202D040M

---

#### Aims

The course aims to provide students with the necessary information to identify the surgical emergency situations, together with the clinical skills to protect the lives of patients waiting for the doctor.

#### Contents

**SURGICAL EMERGENCIES:** Recognize the main frames of surgical emergency and know how to describe them, such as acute abdomen, hemoperitoneum, gastro-enteric hemorrhages, aneurysms and aortic dissections. Being able to appropriately address patients to care.

#### Detailed program

##### SURGICAL EMERGENCIES

Being able to describe in terms of physio-pathological and clinical frames the basics of the following acute frames:

---

Acute abdomen (peritonitis, bowel occlusion, intestinal ischemia)

---

Bowel obstruction

---

Digestive bleeding

---

Vessel damage (and pseudo-aneurysm)

---

Polytrauma and trauma of parenchymatosis organs ( liver, spleen, kidneys)

---

Aneurysms and aortic dissection (clinical presentation in aneurysm rupture phase)

---

Child clinical emergencies (inhalation of foreign body, cardio-circulatory arrest, head trauma)

## **Prerequisites**

Objectives of the first year courses

## **Teaching form**

In the emergency period Covid-19 lessons will take place in mixed mode: partial attendance and videorecorded asynchronous/synchronous lessons

## **Textbook and teaching resource**

Teaching material provided entirely by the teacher, for further information: "M.Lise, Chirurgia per le Professioni Sanitarie, IV Edizione, Picci ed. 2006"

## **Semester**

Second Semester

## **Assessment method**

Written exam: quizzes with single / multiple choice and open questions with brief answer. In the emergency period Covid-19 oral exams will be only telematic. They will be carried out using the Webex platform and in the e-learning page of the teaching will be reported the public link for access to the examination of possible virtual viewers

## **Office hours**

Reception by appointment prior email contact : "fabio.uggeri@unimib.it"
