Scienze Statistiche e Sociopsicopedagogiche

2122-1-I0202D005

Aims

Contents

Listed in the syllabus of each segment.

Detailed program

Listed in the syllabus of each segment.

Prerequisites

None.

Teaching form

Standard classes, exercises, video clip, quiz.

Textbook and teaching resource

Listed in the syllabus of each segment.

Semester

Second Semester.

Assessment method

Written exam with optional oral interview.

What is it about:

- The written exam consists of 8 choice questions (4 or 5 alternatives) for each segment, where each question will give 4 points and 32 will be considered 30 cum laude. The final score will be calculated averaging the scores of the segments.

Where will it happen:

- The written exam takes place on the university's esamionline platform <https://esamionline.elearning.unimib.it/> in the laboratory or with proctoring monitoring (if required by the health emergency).

When taking the written exam and the oral interview (optional):

- The written exam on the "exam date" indicated on the portal <https://s3w.si.unimib.it/>

How to behave on the portal <https://s3w.si.unimib.it/>:

- Register for the exam
- Check the grade achieved (made available within 3 days from the date of writing)
- Answer to the pool on the exam acceptance
