COURSE SYLLABUS

Stage in Midwifery School (degree Level)

2122-1-K0101D203

Aims

This stage refers to all the contents of the first and the second year of education.

Contents

This teaching is composed by an experience of practical training/stage in the first or the second year of education. The experience is aimed to observe the role of midwives working as Director or Tutor within a midwifery undergraduate program based in teaching hospital. This stage is for midwives or nurses students particularly interested in focusing on undergraduate education and on methodologies for teaching professional skills. The stage will allow to actively participate to briefing/debriefing activities, practical training, and guided discussions with undergraduate midwifery students.
