## SYLLABUS DEL CORSO

### Ulteriori Conoscenze Linguistiche (communication Skills)

2122-1-F7702M071

---

#### Learning objectives

The aim of the course is to enhance the students' communication skills in English. Special relevance will be given to oral skills: pronunciation, lexical choices, cohesion and coherence of speech, register, etc. The students will learn to use the language and different persuasion techniques to reach their communication goals.

#### Contents

The course focuses on different aspects of English communication; through the study of the theory, the student will learn and practice first-hand the skills required to communicate clearly and effectively.

From the management of group dynamics, we will move on to the theoretical models of the communication process and persuasion techniques, up to the art of public speaking and the presentation skills required to engage and persuade the audience.
