COURSE SYLLABUS

International Tax Law

2122-2-F7701M114

Learning objectives

After this course students should be able:

- to understand the objectives of tax treaties
- to understand and apply the method for application of tax treaties
- to understand the relationship between tax treaties and (strictly) internal law
- to have knowledge of the methods for interpretation of tax treaties

Contents

The course objective is to provide knowledge of tax treaty law. This includes the relation between strictly national law and tax treaties, as well as the application and interpretation of tax treaties. Emphasis is put on the interpretation of tax treaties modelled after the OECD Model Tax Convention. Methods for transfer pricing within corporate groups will also be covered, primarily regarding the OECD Transfer Pricing Guidelines.
