---

#### Titolo

Annual PhD Meeting

#### Docente(i)

PhD Board members

#### Lingua

English

#### Breve descrizione

The annual PhD Meeting has a dual purpose:

1. To allow PhD students to present their research with short seminars and posters to access the PhD course subsequent year.
2. Offer doctoral students a number of scientific seminars on new and relevant topics.

Topics are selected annually and must be transversal.

Speakers can be both Italians and foreigners.
