UNIVERSITÀ
DEGLI STUDI DI MILANO-BICOCCA

COURSE SYLLABUS

Introduction To Public Law - 1

2223-1-E3301M004-T1

Learning objectives

The course aims at building a basic knowledge of the legal orders: the national legal order, the organization of the institutions of the local government and the European legal order.

In particular the course is concerned with the organization and activity of the Italian Government and other public institutions, especially the European Union. The course also provides a juridical and political framework of relations between authorities and rights with particular reference to individuals and social groups rights.

The aim is also to introduce to the study of the legal sources and to the mechanisms of their production. The course then focuses on constitutional changes.

Contents

This course is concerned with the organization and activity of the Italian Government and other public institutions. The course also provides a juridical and political framework of relations between authorities and rights with particular reference to individuals and social groups rights. The course then focuses on costitutional changements
