12. Marketing Channels
13. Retailing and Wholesaling
14. Communicating Customer Value
15. Advertising and Public Relations
16. Personal Selling and Sales Promotion

Prerequisites

Management is a preliminary examination. Even the topics of other courses (Business administration) provide useful insights to understand the elements of the course.

Teaching methods

In order to better balance theory and practice, topics will be presented combining lectures, talks and case studies

At the moment, the course is held in person. Lessons could be held also remotely synchronously but are not recorded.

Assessment methods

Written exam functional to acquire knowledge and skills useful to understand the key marketing concepts. More in detail, the exam consists of a set of multiple choice questions, useful to verify the students' knowledge about the whole course program and ensure the objectivity of the evaluation, and a set of open-ended questions, useful to test candidates marketing competences and reporting skills.

Erasmus students have also the opportunity to take the exam orally, either in Italian or in English
