# COURSE SYLLABUS

# Elements of Criminal Procedure

**2223-2-E1401A085**

## Learning objectives

The course aims to raise awareness of the criminal procedure and evidence to students, who may well have the most appropriate skills to undertake the “classic” subsequent career paths to graduation.

## Contents

The objective of the course is to take a problematic approach in illustrating the fundamental issues and workings of the criminal procedure. In order to achieve this, the main institutions regulated by the code of criminal procedure will be analyzed, with particular attention to the logical, ideological and constitutional aspects of the subject.

## Detailed program

## Prerequisites

Knowledge of constitutional law and general principles of law

## Teaching methods

Class-room frontal teaching and case-law analysis.

## Assessment methods

Oral examination
