COURSE SYLLABUS

Marketing for Tourism

2223-2-E1501N130

Learning objectives

The course aims to provide students with the basic tools, concepts and models of marketing management applied to the hospitality and travel sector.

At the end of the course, students will be able to:

- know the main tools of marketing activities;
- know how potential tourists are segmented;
- know how online and offline media can be used to promote a tourist destination;
- understand the challenges posed by sustainable development, and which tools may be used to address them.

Contents
