## COURSE SYLLABUS

### **International or foreign strategies, patent rights, employees and researchers' intellectual property rights**

2223-DOTT-MOD08

---

#### **Titolo**

International or foreign strategies, patent rights, employees and researchers' intellectual property rights

#### **Docente(i)**

Avv. Miriam Loro Piana

#### **Lingua**

English

#### **Breve descrizione**

##### **Objectives**

The seminar aims at providing the students with a specific knowledge on the main patent filing options and strategies, the exclusive rights granted by a patent and the employees and researchers' rights on the inventions realized during their work relationship with private and public entities.

Expected outcome:

- identify pros and cons of the different patent filing options;
- clear understanding of the scope of protection of a patent;
- legal framework of the employees and researchers' intellectual property rights and awareness of the risks deriving from a bad drafted employees' contract.

#### Table of contents

- International or foreign patent filing strategies: Italian patent application, European patent application and PCT patent application: timing and costs;
- Rights conferred by patents (moral rights and property rights) and scope of protection;
- Employees and researchers' rights on inventions: focus on Art. 64 and Art. 65 of the Italian Industrial Property Code and International perspective.

#### Detailed method

The workshop will be based on:

- interactive lecture;
- case studies.

#### Participants

Min 10 Max 30

#### CFU / Ore

0,5 CFU / 4 hrs

#### Periodo di erogazione

18/04/2023 9 am - 1 pm U3.11

**course registration on "Segreteria online": from 27/03 to 13/04/23**
