## SYLLABUS DEL CORSO

### Current Debates in Social Science

2223-103R-CDSS

---

#### Title

*Current Debates in Social Science*

#### Teacher(s)

Faculty

#### Language

English

#### Short description

The course provides a general overview of some of relevant current debates in social science. Every lecture is focused on a different and specific topic and aims at discussing, from different theoretical perspectives and/or methodological approaches, the main questions scholars are dealing with. Recent research is privileged for discussion. Some lectures are organized as a debate between two scholars presenting different and/or opposite perspectives.

For each lecture, students are invited to read the required reading in advance.

**CFU / Hours**

24 hous / 8 lectures

**Teaching period**

November 22 - April 23

**Sustainable Development Goals**

DECENT WORK AND ECONOMIC GROWTH
