COURSE SYLLABUS

Communication of Climate Change

2324-1-124R002

Title

Communication of climate change

Teacher(s)

Claudia Pasquero

Language

English

Short description

In this class we will discuss difficulties typically encountered when communicating the concept of climate change, including the personal perception of weather and the uncertainty of climate projections. Hands-on experiments that can help the audience in visualising and connecting with daily life concepts will be done. Controversial aspects of climate crisis manifestations and impacts will be discussed, starting from the critical analysis of scientific papers with contrasting conclusions.

CFU / Hours

1CFU
8hr

Teaching period

II semester: 12th, 19th, 26th January 2024
