## SYLLABUS DEL CORSO

### Communication of Climate Change

2324-1-124R002

---

#### Titolo

Communication of climate change

#### Docente(i)

Claudia Pasquero

#### Lingua

English

#### Breve descrizione

In this class we will discuss difficulties typically encountered when communicating the concept of climate change, including the personal perception of weather and the uncertainty of climate projections. Hands-on experiments that can help the audience in visualising and connecting with daily life concepts will be done. Controversial aspects of climate crisis manifestations and impacts will be discussed, starting from the critical analysis of scientific papers with contrasting conclusions.

**CFU / Ore**

1CFU  
8hr

**Periodo di erogazione**

Il semester: 12th, 19th, 26th January 2024
