DEGLI STUDI DI MILANO-BICOCCA

COURSE SYLLABUS

Law of Successions

2324-5-A5810186

Learning objectives

The course aims to provide students with knowledge of the main institutes of succession law. Concrete cases and the most recent jurisprudential decisions will be analysed, also with a view to identifying the main trends in Italian inheritance law. The course aims at a high level of qualification, also with a view to preparing the student to deal with succession law issues in the main postgraduate exams (notary exam; judiciary exam; bar exam).

Contents

1. General principles of the law of succession
2. Intestate succession
3. Testamentary succession
4. Forced heirship
5. The acquisition of the inheritance
6. Relations between the heir and third parties
7. Relations between co-heirs
8. Donation and non-donative gifts
