

# UNIVERSITÀ DEGLI STUDI DI MILANO-BICOCCA

## SYLLABUS DEL CORSO

# Stage Area Formazione Sc. Infermieristiche e Ostetriche

2324-1-K0101D204

#### **Aims**

This stage refers to all the contents of the first and the second year of education.

#### **Contents**

This teaching is composed by an experience of practical training/stage in the first or the second year of education. The aim is to observe the role of nurses and midwives operating in university education in the master's degree courses in nursing and midwifery. The internship is aimed at nursing and midwifery students interested in deepening their knowledge on the teaching system and the teaching methodologies of management, teaching and research activities. The stage will allow to actively participate to briefing/debriefing activities, practical training, and quided discussions with undergraduate midwifery students.
