UNIVERSITÀ
DEGLI STUDI DI MILANO-BICOCCA

COURSE SYLLABUS

Research, responsible innovation and ethics in ethnography

2324-119R003

Title

Research, responsible innovation and ethics in ethnography

Teacher(s)

Alice Bellagamba

Language

Italian/English

Short description

The module analyzes in detail the effects and potential impacts that ethnographic research can have in the contexts of ethnographic investigation. Particular attention will be paid to the theoretical and ethnographic reflection of the ethical implications.
