SYLLABUS DEL CORSO

Valutazione critica dei materiali didattici geografici e progettazione curricolare delle attività di insegnamento della Geografia

2324-A22-FIA22011

Title

Critical evaluation of geography teaching materials and curricular design of teaching activities in geography

Teacher(s)

Enrico Squarcina (enrico.squarcina@unimib.it)

Language

Italian

Short description

The course will take a critical look at the classical teaching materials used for teaching geography (textbook, atlas, map, map...) and how many materials not designed for teaching purposes can become important geographical sources. The relationship between educational objectives, curriculum design, information sources and teaching materials will also be analysed.

information sources and teaching materials.
Further materials will be made available on the course's e-learning platform if necessary.

CFU / Hours

1 cfu - 6 hours in attendance. A minimum attendance rate of 70 per cent is required to be admitted to the final examination

Teaching period
