## **Semester**

2nd Year, 2nd Semester

## **Assessment method**

There are no ongoing tests.

The final exam consists of a written part and an oral part.

The written part consists of closed-answer tests (multiple choice choice) for the extensive control of the preparation on the exam program.

The oral part provides an interview for the verification of critical thinking in relation to the nursing care process.

In the event of pandemic situations, Rector's Decree will be applied with specific and contextual indications

## **Office hours**

On appointment

## **Sustainable Development Goals**

GOOD HEALTH AND WELL-BEING | QUALITY EDUCATION | GENDER EQUALITY
