## **Prerequisites**

none

## **Teaching form**

Lessons in the presence of the teacher.

## Textbook and teaching resource

Slide lecture of the teacher

#### Semester

First Semester

#### **Assessment method**

Written exam aimed at verifying the acquisition of notions indicated in the program: 15 multiple choice questions. The correctness and consistency of the answers with respect to the question requested will be assessed.

The exam will be performed only at the end of the course (no intermediate examination will be available).

Although this course is held in Italian, for Erasmus students, students can take the exam in English if they wish to do so.

#### Office hours

by appointment by email request
