## **Prerequisites**

None

## **Teaching methods**

Lectures:

- 18 lessons of 3 hours where the first part with explanations, and the second part interactive with students.
  - 9 lessons of 2 hours where the first part with explanations, and the second part interactive with students.
- Lessons will be in presence in class and some lessons could be taught remotely.

Teaching language: Italian

Semester: 2

## **Assessment methods**

At the end of classes, a written exam will be based on the lectures' content. The written exam will be composed of open questions (explanation and understanding of topics covered in class). Open questions include both questions on wider issues (which require a longer answer) and quite specific questions (which require a short answer). During the exam sessions, the exam will be oral and on the Textbooks published on the course page to test the accumulated knowledge of students and their critical ability on crucial points of the program.
