COURSE SYLLABUS

French Culture

2425-2-F7601M056-F7601M049M

Learning objectives

The course will consider multi-and intercultural aspects of the language, society, culture and economy in France. The student will know how to interact orally on economic topics, using an appropriate vocabulary and linguistic register.

Contents

The awareness of a national "exception" has allowed France to pursue a policy of exemptions in the cultural field, when signing international trade agreements. The course aims to introduce students to some main features of French culture in the framework of European multiculturalism and globalization.

Detailed program

Prerequisites

Delf B1

Teaching methods

During the classes, the presentation of content a) of a linguistic nature and b) relating to the culture and vocabulary of the specialised language ('delivery mode') is followed by interaction with the students in various language production activities ('interactive mode').

- 14 lessons of 2 hours conducted in delivery mode in the initial part that is aimed at involving students in an interactive mode in the subsequent part. Lessons are held in French.
All activities are carried out in presence.

Assessment methods

The test is oral. The student will read, answer questions and summarize the main topics of the texts studied during the course.
