COURSE SYLLABUS

Arabic Language Applications III

2425-3-E2001R053-E2001R058M

Course title

Arabic language applications (?????? ????? ???????)

The Applications course follows the Arabic Language III course (students are encouraged to read the Arabic Language III Syllabus).

Topics and course structure

see Prof. Faraj's syllabus

Objectives

With this teaching, with constant and participatory attendance at lessons, the aim is to consolidate the linguistic skills acquired in the first two years and continue the study of the syntax structures and vocabulary of the Arabic language. In particular, the course aims to develop listening skills, oral comprehension and production, reading skills and written comprehension and production.

Methodologies

The lessons are held in Arabic and are delivered mainly in interactive mode with activities and exercises aimed at developing different linguistic skills.
