Objectives

Chinese Language Proficiency: C.E.F.R. B1

Students will be proficient in Elementary Chinese language listening, reading comprehension and translation to a second language.

Methodologies

Teaching methodology is predominantly interactive, with a few number of lectures.
In case of special teaching needs, one or two recorded lectures will be made available on the e-learning platform in asynchronous mode.
The lecturer's lessons follow a completely interactive methodology, with some oral and written production activities

conducted directly by the students with the lecturer's supervision.
