## SYLLABUS DEL CORSO

### Internato in Gastroenterologia

2425-5-H4101D197

---

#### Aims

The internship aims to provide undergraduate students practical tools to recognize signs and symptoms of the most common gastrointestinal diseases, formulate diagnosis, verify differential diagnosis and propose therapeutic approaches. It also aims to offer students the essential tools for the interpretation of the most common laboratory tests and other diagnostic procedures, and to develop a diagnostic and therapeutic plan.

#### Contents
