# COURSE SYLLABUS

## Chinese Language III

**2526-3-E2001R057-E2001R064M**

### Course title

Chinese language III

### Topics and course structure

The course aims at consolidating elementary Chinese language knowledge and constructing intermediate Chinese skills. Lessons will concentrate on Intermediate Chinese grammar, listening, reading comprehension, translation.

In detail:

1. Direction complement (complex)

2. Potential complement

3. Figurative use of interrogative pronouns

4. Retorical questions

5. Double negation

6. Syntax of sentence structure

### Objectives

Chinese Language Proficiency: C.E.F.R. B2/C1
Students will be proficient in Intermediate Chinese language listening, reading comprehension and translation to a second language.

## Methodologies

Teaching methodology is predominantly interactive, with a few number of lectures.
In case of special teaching needs, one or two recorded lectures will be made available on the e-learning platform in asynchronous mode.
The lecturer's lessons follow a completely interactive methodology, with some oral and written production activities conducted directly by the students with the lecturer's supervision.
