### Teaching methods

**42 lessons (21 meetings): 36** interactive lessons in presence (**18 meetings**) + **6** interactive online lessons (**3 meetings**)

### Assessment methods

#### Written and oral exam with grade evaluation

##### *Written exam*

- Test with closed questions: listening comprehension; reading comprehension; completing a text with missing words
- An open question (writing a written text in German, for example, an e-mail or a text using an instant messaging service)

##### *Oral exam*

- Conversation on daily matters
- Presentation, comment and discussion on one text prepared by the student
- Reading and translation of one of the texts analyzed during the course (text chosen by the teacher)

## Note

1. Passing the written test is mandatory for taking the oral exam. It is not allowed to take the written and oral exam in two different assessment dates.
