

# UNIVERSITÀ DEGLI STUDI DI MILANO-BICOCCA

## **SYLLABUS DEL CORSO**

## Lingua - Tedesco

2526-2-E1801M053

## Learning objectives

- Acquisition of basic morpho-syntax and elements of phonetics and vocabulary which will lead to the cmprehension of written and oral texts in German
- · Basic communication and discourse skills
- Introduction to the main aspects concerning the culture and civilization in German speaking countries
- · Development of learning strategies for self-study

## **Contents**

Grammar, communication, topics in economics and sociocultural aspects

The grammar and communication skills of the course correspond to level **A2+/B1** of the *Common European Framework of Reference for Languages (CEFR)*.

## **Detailed program**

### Grammar

- · definite and indefinite article
- singular and plural
- conjugation of verbs in the indicative (Präsens, Perfekt, Präteritum, Futur)
- · separable verbs
- modal verbs
- · adjective declension

- negation nicht / kein
- verb position in main, interrogative and imperative clauses
- secondary propositions with dass, wenn, weil, ob
- · active and passive mode
- Wechselpräpositionen
- · personal pronouns
- possessive pronouns

## Topics in economics, communication and sociocultural aspects

Newspaper articles, podcasts, and videos on current topics in culture, politics, and economics with a focus on

- · reading strategies
- · listening strategies
- · different types of pronunciation
- · comment, summary and translation of texts

## **Prerequisites**

No specific entry level required.

Unlike the other languages, German Language no longer offers tutorials with a language learning assistant. For this reason, it is strongly recommended (especially for beginning students) to also attend the German Language course of the Bachelor degree program *Marketing*, *Comunicazione Aziendale e Mercati* and *Economia delle banche*.

## **Teaching methods**

42 lessons (21 meetings): 36 interactive lessons in presence (18 meetings) + 6 interactive online lessons (3 meetings)

#### Assessment methods

#### Written and oral exam with grade evaluation

Written exam

- Test with closed questions: listening comprehension; reading comprehension; completing a text with missing words
- An open question (writing a written text in German, for example, an e-mail or a text using an instant messaging service)

#### Oral exam

- · Conversation on daily matters
- Presentation, comment and discussion on one text prepared by the student
- Reading and translation of one of the texts analyzed during the course (text chosen by the teacher)

#### Note

- 1. Passing the written test is mandatory for taking the oral exam. It is not allowed to take the written and oral exam in two different assessment dates.
- 2. Use materials of 2024/2025 until April 2026 included.

## **Textbooks and Reading Materials**

## Compulsory reading list:

- Anne Buscha, Szilvia Szita, Spektrum A1 +, Integriertes Kurs- und Arbeitsbuch, Schubert Verlag
