SYLLABUS DEL CORSO

Laboratori Professionalizzanti 1

2526-2-I0202D111

Aims

The seminar helps students to learn about infant massage as a means of communication, relationship and contact between the mother and her baby, placing attention on issues of gender equality (race, culture, sex). The students try to find well-being and relaxation, with work in pairs, through the massage (shoulders, back and head) done by their partner
