SYLLABUS DEL CORSO

Divulging Sustainability

2627-2-F7603Q031-F7603Q03103

Aims

The module will present, discuss, and practically apply strategies and techniques useful for communicating complex topics such as environmental sustainability to various types of non-expert audiences, focusing on presenting such topics especially to the differently qualified public.

Further details will be added once the teacher for this module has been identified.
