Current Debates in Social Science

2627-118R-CDSS

Titolo

Current Debates in Social Science

Docente(i)

Faculty
Referente per il modulo: prof.ssa Gemma Scalise

Lingua

English

Breve descrizione

The course provides a general overview of some of relevant current debates in social science. Every lecture is focused on a different and specific topic and aims at discussing, from different theoretical perspectives and/or methodological approaches, the main questions scholars are dealing with. Resent research is privileged for discussion. Some lectures are organized as a debate between two scholars presenting different and/or opposite perspectives.

For each lecture, students are invited to read the required reading in advance.

CFU / Ore

24 hous / 6 lectures
