SYLLABUS DEL CORSO

Literature Review Lab

2627-111R005

Title

Teacher(s)

Stefano Calciolari

Language

English

Short description

The course has four aims:

- to provide doctoral students with the fundamental concepts and methods necessary to conduct a SLR;
- to train doctoral students to assess the rigor of a SLR;
- to train doctoral students to select the appropriate SLR for a de-fined research question and draft a review protocol;
- introduce the students to appropriately use AI tools in a SLR.
