Any change to the title must be handled by the professor via the online procedure, provided they have not yet approved it. If the thesis has already been approved, the professor—or the student (with the professor copied on the email) must write to segr.studenti.scienze@unimib.it (that office will revert the procedure to "submitted" status)				
All students must meet the deadlines. Students who submitted the application for the degree achievement and realize they can't graduate are asked to communicate it by sending an email to segr.studenti.scienze@unimib.it or to segreteria.didattica@disco.unimib.it not later than two weeks before the graduation session.				
Please note: you can submit the degree application even if you have not completed the exams.
