

International mobility

Erasmus programme opportunities aa 2023/2024 e 2024/2025

Master Students (II level)

3 Possibilities

- spend a period **to attend courses, sit exams** at an **EU University**. (Inter-institutional agreement between UNIMIB and the receiving Institution is required)
- spend a period in an **EU** university or institution or company to carry out **practical activities**. (A prior inter-institutional agreement is not required)
- spend a period in a university or institution or company **outside the EU** to carry out **practical activities**. A prior inter-institutional agreement is not required.

Possibly exams but only at universities with a valid previous institutional Agreement (not available at present!!)

Funding instruments

1 - Erasmus study

2 - Erasmus Traineeship

3 - Exchange Extra-UE

General Information

Course Presentation

The international Master Degree in Marine Sciences - Scienze Marine (program LM-75) is an International study course jointly established with the Maldives National University.

The postgraduate degree course provides advanced level instruction preparing students for professional careers requiring high-level specialist qualifications in the field of Marine Sciences. The Faculty is made up of experts from the Università degli Studi di Milano-Bicocca, the Maldives National University, as well as other non-Italian universities and research organizations.

The Course has a duration of two years.

The Master's Degree in Marine Sciences-Scienze Marine carries 120 University Education Credits (CFUs), and entails 12 exams, to be passed in compliance with Italian laws in force.

The Master's Degree is jointly awarded by the Università degli Studi di Milano-Bicocca and the Maldives National University. The official language of the Master's Degree course is English.

The address of the Master's Degree course in Marine Sciences - Scienze Marine:

Dipartimento di Scienze dell'Ambiente e della Terra – Edifici U1 e U4 - Piazza della Scienza, nr. 1 e 4 – zip code. 20126 Milan, Italy.

Director of the Faculty Committee:

Prof. Paolo Galli

Director of the School of Science:

PART I - GENERAL RULES AND ADMISSION CRITERIA

Art. 1 - Extra-EU Exchange Period

The University's Extra-EU Exchange Program is aimed at acquiring educational credits during an experience in a non-European country. The Extra-EU Exchange Program (hereinafter: Program) lasts a minimum of 30 actual days up to a maximum of 6 continuous months, renewable in the case of thesis preparation; for those enrolled in a Specialisation School or in a PhD Course (third cycle of study) the program must have a duration of at least 3 continuous months. The program must take place between 8 March 2023 and 31 October 2023 unless it is necessary to extend the research period for the preparation of the thesis.

The experience may take place in the following ways:

- Traditional Mobility (the entire period is carried out abroad in presence or in smart working; therefore students abroad, with the authorization of their destination, even if the activity is carried out in e-learning/smart working, are

This text is a courtesy translation, in case of disputes, the only reference text is the Italian one

PART I - GENERAL RULES AND ADMISSION CRITERIA

Art.1 - Erasmus Traineeship Program

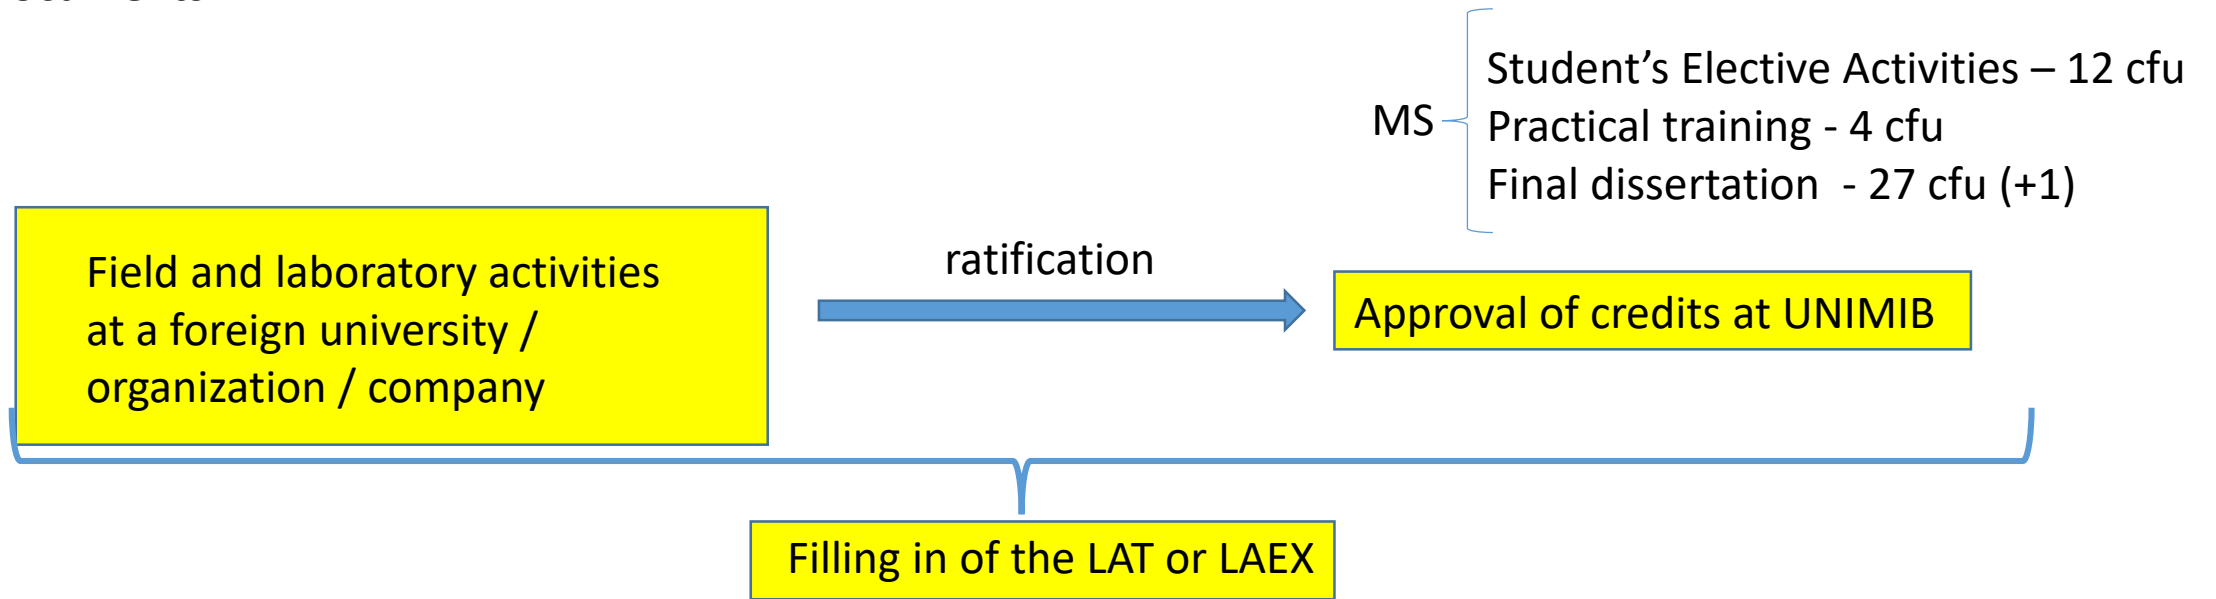

The Erasmus Program is aimed at the acquisition of educational credits during a European experience for a maximum of 12 months for each cycle of study (cycle I: Degree; cycle II: Master's Degree; cycle III: PhD/Specialisation Schools). For Single-Cycle Master's Degree courses, the maximum is 24 months of mobility.

The Erasmus Traineeship Program (hereinafter: Program) has a minimum duration of 2 months (60 actual days) and must take place between 8 March 2023 and 31 October 2023. For those enrolled in a Specialisation School or in a PhD Course, the Program has a minimum duration of 3 months (90 actual days).

The experience may take place in the following ways:

- Traditional Mobility (the entire Traineeship period is carried out abroad in presence or in smart working; therefore students abroad, with the authorization of their destination, even if the activity is carried out in smart working, are considered in traditional mobility);
- Blended Learning (the Erasmus period is composed of a period in Italy in smart learning and a period abroad of at least 60 days in presence and/or smart learning).

Fino a 50.000 €	250,00 €/30 giorni
Fino a 70.000 €	100,00 €/30 giorni
oltre a € 70.000,00	-

I laureandi che risultano idonei alla mobilità Erasmus Traineeship e decidono di partire dopo la discussione della tesi avranno diritto solamente alla quota di borsa comunitaria, senza alcuna integrazione di Ateneo.

L'integrazione di Ateneo alla Borsa di studio per l'Erasmus Traineeship è modulata in base ai dati ISEE-Università con riferimento all'anno in cui è pubblicato il bando, come da DPCM n. 159/2013. Gli studenti che al momento della pubblicazione del bando non avessero provveduto alla dichiarazione ISEE non avranno diritto all'integrazione di Ateneo.

Exchange-Extra-UE

La borsa di studio è erogata per i soli periodi effettivamente trascorsi all'estero.

Il finanziamento è così composto:

- Borsa Exchange EXTRA-UE

Gruppo	Paesi	Mensile/30gg
Regioni 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12	Tutti gli stati extra UE non inclusi nelle regioni 13 e 14	€ 700,00
Regione 14	Faroe Islands, Switzerland, United Kingdom	• € 350,00 + integrazione (studio) • € 500,00 + integrazione (traineeship, tirocini e ricerca)
Regione 13	Andorra, Monaco, San Marino, Vatican City State	• € 300,00 + integrazione (studio) • € 450,00 + integrazione (traineeship, tirocini e ricerca)

- Integrazione di Ateneo

L'integrazione alla borsa di mobilità Exchange EXTRA-UE è dovuta solo per le Regioni 13 e 14, ed è modulata in base ai dati ISEE con riferimento all'anno in cui è pubblicato il bando, come da DPCM n. 159/2013. Gli studenti che non avessero prodotto l'ISEE non avranno diritto ad alcuna integrazione.

ISEE	INTEGRAZIONE D'ATENEIO

Erasmus Students Day

#Iday23- 1 Dicembre 2023

L'1 Dicembre 2023 presso l'Aula Magna si svolgerà l'annuale evento "Bicocca International day 2023"

L' #Iday23, organizzato dall'Ufficio Erasmus e dai **Bicocca University Angels-BUA**, è rivolto a tutti gli studenti e alle loro famiglie, interessati a conoscere le opportunità di Mobilità Internazionale che il nostro Ateneo offre.

Nella *sessione mattutina* a partire dalle 9:30 la **Pro Rettrice Prof.ssa Gabriella Pasi**, l'Ufficio Erasmus e i **Bicocca University Angels** vi introdurranno al mondo della Mobilità Internazionale.

Sarà presente per un contributo **GaragErasmus**, la rete professionale della generazione Erasmus che mira a sostenere la formazione di un'Europa meglio integrata. gE persegue la sua missione facendo incontrare domanda e offerta di lavoro internazionale, promuovendo iniziative sociali e aiutando la creazione di nuove start-up.

A chiusura della mattinata verrà presentato il **Bando Erasmus+ ai fini di Studio a.a. 2023/24**, per coloro che sono interessati a svolgere la mobilità nell'a.a. 2024/2025.

Marine Sciences
